(See Rule 100(a) (9).) If yes, identify each such foreign principal and describe in full detail your activities and services:

I decided to break out of lobbying on the Hill and start branching out to Hollywood celebrities to help me. I have been searching for the right script writer and publicists to find a celebrity to champion the Naga cause. I have spoken at the International Society of the Arts Salon in Los Angeles and hosted a Nagalim Discovered Event in Hollywood.

If the registrant arranged, sponsored or delivered speeches, lectures or radio and TV broadcasts, give details as to dates and places of delivery, names of speakers and subject matter.

Because I was planning to go to Nagaland in February and initially the Indian government gave me a visa, I purchased four tickets and then the Indian government, with no explanation, revoked my visa. I decided to take the Film documentarian and Continental Airlines to Small Claims court in Los Angeles for not reimbursing me the cost of my air tickets. The Judge Judy Show found my story and asked me to appear on the show. I did this in order to back door the Nagalim story to 10 million audience.

If yes, describe fully.

I help many non-profits that also have significant networks of powerful people. I help American Heroes of Freedom for our Wounded Warriors, Breast Cancer and a knighting order for which I have been Damed a Dame Commander and will chair their big event in October 2009 with more than 40 royal families coming from all over the world which ultimately helps me expose the Nagalim story to the International Royal Families Community.

I also attend many other social, professional and Christian-based groups.

⁵ The term "political activities" means any activity that the person engaging in believes will, or that the person intends to, in any way influence any agency or official of the Government of the United States or any section of the public within the United States with reference to formulating, adopting or changing the domestic or foreign policies of the United States or with reference to the political or public interests, policies, or relations of a government of a foreign country or a foreign political party.
